All work must be original. Compositions based on published material or other artist's work are NOT considered original and are not eligible. Works executed in a workshop or under another artist's supervision or based on another person's photograph (even if a royalty/copyright free image or permission has been granted by the artist owning the copyright of the image) are NOT eligible. Work must not have been exhibited in a previous NRAS exhibit. NRAS reserves the right to reject work deemed unsuitable or does not meet entry criteria. Prints (reproduced from original art) are not acceptable.
